### Golden West College , Huntington Beach, CA (US)

Jun '15 - Apr '16

Certificate in Digital Arts,

The Digital Arts program prepares students for employment in the field of digital arts and graphic design. It consists of applied exercises in advertising thinking, visual communication, graphic design, and preparation of art for reproduction. Concept development and the generation of a portfolio suitable for job applications or transfer to a degree program is a major focus in each of the core courses.
